

Effective Immediately

All job terms will be negotiated by the Leadership. After negotiation is complete, Members and Associates will have access to the jobs according to their ranking within The Strangers. All payments for jobs completed will be paid to the company and the Leadership will distribute payment to the appropriate Members or Associates, minus a percentage taken by The Strangers for business maintenance and expenses. Anything extra or outside the agreed payment amount is the property of the Members or Associates, outside of the claim of The Strangers. Reports from completed jobs are to be submitted to the Leadership, except if a Leader is on the job. For maintenance or facility questions, concerns, or suggestions please see Travis Fordum.

All business will be conducted in Lingua. Any Associate wishing to become a Member must be able to speak the language for promotion consideration.

Use of powers, abilities, or weapons against another is prohibited, save in instances of mutually agreed sparring or practice. After two warnings the Member or Associate will be exiled from The Strangers until such time as The Leadership agrees to allow them back in at the lowest ranking. This is not a hard and fast rule, and excessive action will mean the bypassing of the warning system entirely. Please refer any issues or conflicts between Members or Associates to Snake-Bites-Once.

Elections for Leadership positions will be announced as appropriate.
